Dear Professor Mills,

The following preprint has appeared in the Research Report Series of The University of Western Australia.

“A Recognition Algorithm for Classical Groups”

Alice C. Niemeyer and Cheryl E. Praeger  
Department of Mathematics  
University of Western Australia  
Nedlands, WA 6907

Fred Nerk  
Fictional Department  
Uni of Woop Woop  
Never Never

Dec 1996/41.

AMS Subject Classification: .

We would be very grateful if they could be included in the Notices of Preprints in the next issue of the Gazette.

With kind regards,
